Dear Mr. Hayden:

On December 15, 2022, the Evanston/Skokie School District 65 (“the District”) received Freedom of Information Act requests from you and is extending the response time. Your request and the District’s response are provided below:

Request:

1. Copy of all memos or contracts or records pertaining to contracts signed by District 65 from 01/01/2019 and 03/31/21 specifically in the format provided for contracts >\$25,000
2. If these do not exist then copies of records or emails between board members and district employees approving >\$25,000 contracts.

Response:

Pursuant to Section 3(e) of the FOIA, I am extending the time for a final response to your FOIA request to until December 30, 2022. The reasons for the extension are the following: (iv) all the requested records have not been located in the course of routine search and additional efforts are being made to locate them; and (iii) it would unduly burden or interfere with the operations of the District to fill the request within the initial five business days.

Sincerely,
Adeela Qureshi
